CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Hennion & Walsh, Inc.

We have audited the accompanying statement of financial condition of Hennion & Walsh, Inc. as of December 31, 2005, and the related statements of income, changes in shareholders' equity, changes in liabilities subordinated to claims of general creditors, and cash flows for the year then ended that you are filing pursuant to rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hennion & Walsh, Inc. as of December 31, 2005, and the results of their operations and their cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purposes of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17A-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

HENNION & WALSH, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2005

NOTE 1 - ACCOUNTING POLICIES

The following is a summary of significant accounting policies followed by the Company in the preparation of these financial statements.

TRANSACTIONS

State and Municipal Obligation transactions are recorded on a settlement date basis, generally the third business day following the transaction date, unless the difference between settlement and trade date is significant to the Company's financial statements.

INVENTORY VALUATION

State and Municipal Obligations are stated at market value and the resultant gain or loss is reflected in the Statement of Income.

FIXED ASSETS

Depreciation has been provided primarily by the use of the straight-line method over the estimated useful life of the assets.

Maintenance and repair costs are charged to operations as incurred; renewals and betterments are charged to the appropriate asset account.

On retirement or sale of property, the respective property accounts are reduced by the cost of the property retired or sold, accumulated depreciation thereon is eliminated, and the resulting profits and losses are credited or charged to operations.

NOTE 2 - COMMITMENTS AND CONTINGENT LIABILITIES

The Company's future minimum lease commitments under real estate leases are as follows:

<u>Year Ended</u>	
December 31, 2006	\$ 432,951
December 31, 2007	435,589
December 31, 2008	435,589
December 31, 2009	435,589
December 31, 2010 and thereafter	<u>1,413,157</u>
	<u>\$3,152,875</u>

Counsel for the Company advises that there is no litigation of a material nature pending against the Company.

The Company is currently involved in several proceedings by the NASD. Management believes that none of these proceedings will have an adverse material effect on the financial position of the Company.

Except as noted above, the Company has no other commitments or contingent liabilities, nor any off-balance sheet risk.

HENNION & WALSH, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2005

NOTE 3 - INCOME TAXES

The Company, with the consent of its shareholders, has elected to have its income or loss reported directly by the shareholders under provisions of Sub-Chapter S of the Internal Revenue Code. Therefore, there is no provision for Federal Income Taxes. Beginning in 1994, the Company has elected to be taxed under the S-Corporation rules for the State of New Jersey.

NOTE 4 - FAIR VALUE

The carrying amounts reflected in the balance sheet for cash, receivables, securities and payables to brokers and dealers approximate their respective fair values.

NOTE 5 - NET CAPITAL REQUIREMENTS

As a registered municipal securities broker and member of the National Association of Securities Dealers, Inc., the Company is subject to the Securities and Exchange Commissions Uniform Net Capital Rule which requires that the Company maintain net capital, as defined, or \$250,000, whichever is greater. At December 31, 2005 the Company had a net capital of \$2,069,294 which exceeded the requirements by \$1,819,294.

NOTE 6 - USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 7 - CONCENTRATIONS OF CREDIT RISK

The Company is engage in various trading and brokerage activities in which counterparties primarily include broker-dealers and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the credit worthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

LOUIS STERNBACH & COMPANY, LLP

CERTIFIED PUBLIC ACCOUNTANTS

Auditors' Report on Internal Control

To the Board of Directors
Hennion & Walsh, Inc.

In planning and performing our audit of the financial statements and supplemental schedules of Hennion & Walsh, Inc. (the Company), for the year ended December 31, 2005, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the consolidated financial statements and not to provide assurance on internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a(a)(11) and for determining compliance with the exemptive provisions of rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System

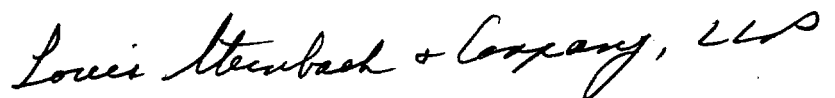

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material aspects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2005 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, NASD and other regulatory agencies that rely on rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.

A handwritten signature in black ink that reads "Louis Sternbach & Company, LLP". The signature is written in a cursive, flowing style.
